Social: @ognyanova

SUMMARY

- Subject expertise: *political communication, social technology, trust, misinformation*
- Methodological expertise: *network science, computational social science, survey research*
- PI: *Civic Health and Institutions Project* (chip50.org)
- PI: *Covid States Project* (covidstates.org)
- PI: *National AI Opinion Monitor* (naiom.net)
- PI: *State of the Prompt* (stateoftheprompt.net)
- Director: *Rutgers Computational Social Science Lab* (csslab.rutgers.edu)

EMPLOYMENT

School of Communication and Information, Rutgers University

Professor **2026–Present**
Associate Professor **2021–2026**
Assistant Professor **2015–2021**

Lazer Lab, Northeastern University
Institute for Quantitative Social Science, Harvard University

Postdoctoral Research Fellow **2013–2015**

USC Annenberg School for Communication and Journalism

Instructor, Graduate Assistant **2008–2013**

Economedia Publishing Group, Verlagsgruppe Handelsblatt

Journalist, Visual Editor **2000–2007**

EDUCATION

University of Southern California

Ph.D. in Communication **2013**

University of Southern California

M.A. in Communication **2010**

University of Sofia "St. Kliment Ohridski"

M.A. in Virtual Culture **2006**

University of Sofia "St. Kliment Ohridski"

B.Sc. in Computer Science **2003**

HONORS & AWARDS

- AAPOR Mitofsky Innovators Award, **2025**
  American Association for Public Opinion Research
  (with the Civic Health and Institutions Project)
- Andrew Carnegie Fellows Program Nominee, **2024**
  Rutgers University
- Distinguished Achievement in Research Award, **2023**
  Department of Communication,
  Rutgers University
- Top 4 Papers Award, **2019**
  Mass Communication Division,
  International Communication Association (ICA)
- Distinguished Achievement in Teaching Award, **2019**
  Department of Communication,
  Rutgers University
- Dissertation Award, **2013**
  Mass Communication & Society Division,
  Association for Education in Journalism & Mass Communication (AEJMC)
- Top Paper Award, **2012**
  Political Communication Division,
  National Communication Association (NCA)
- First Place Award in Social Science, **2010**
  Graduate and Professional Studies Symposium Poster Competition,
  University of Southern California
  (with Chen, N.-T. N., Ball-Rokeach, S. J., & Parks, M.)
- IGI Global Excellence in Research Award, **2010**
  IJEP Best Published Journal Article for 2010
- Carolyn Dexter Award Nominee, **2010**
  Organizational Communication & Information Systems Division,
  Academy of Management
  (with Huang, M., Huang, Y., Margolin, D., Shen, C., & Contractor, N.)
- Annenberg Annual Research and Creative Project Symposium Award, **2009–2013**
  Annenberg Graduate Fellowship Program,
  University of Southern California

FELLOWSHIPS & AFFILIATOINS

- Affiliated faculty, Shorenstein Center, Harvard University **2026–Present**
- Fellow at the FCC with the Consortium on Media Policy Studies **2012**
- Oxford Internet Institute Summer Doctoral Program, Oxford University **2011**
- Annenberg Graduate Fellow, University of Southern California **2007–2012**

PUBLICATIONS

Note: published reports are listed in *Appendix A* (p.27), conference presentations in *Appendix B* (p.38).

* Asterisk indicates that a co-author was a student when the research was conducted.

BOOK REVIEWS

Ognyanova, K. (2024). Network analysis: Integrating social network theory, method, and application with R. *Journal of Social Structure*, *25*(1), 22–24.

INVITED TALKS

Ognyanova, K. (2026). *Who do we believe? Trust in institutions, people, and AI*. University of Kansas, Department of Communication Studies. Lawrence, KS.

Ognyanova, K. (2026). *Trust in the Age of AI: Misinformation, Institutions, and Public Opinion*. Invited talk, School of Public Health, Brown University, Providence, RI.

Ognyanova, K. (2025). *False beliefs in unusual times: The role of trust, technology, and social ties*. Invited talk, University of Wisconsin–Madison, Madison, WI.

Ognyanova, K. (2025). *Communication scholarship after generative AI*. Invited panelist, Anniversary Special Session "Generative AI: Transforming and Disrupting Communication Scholarship". International Communication Association (ICA) Annual Conference, Denver, CO.

Ognyanova, K. (2024). *False beliefs in an uncertain environment: The role of trust, technology, and social ties*. Invited talk, Annenberg Research Seminar, University of Southern California, Los Angeles, CA.

Ognyanova, K. (2024). *Misperceptions in health and politics: The role of trust, networks, and digital platforms.* Invited talk, Computational Social Science Speaker Series, University of Texas at Austin, Austin, TX.

Ognyanova, K. (2024). *The role of networks in evaluating and correcting political information.* Invited talk, Center for Information Networks and Democracy, University of Pennsylvania, Philadelphia, PA.

Ognyanova, K. (2024). *Trust, misperceptions, and the role of digital platforms*. Invited talk, Translational Data Analytics Institute, Ohio State University, Columbus, OH.

Ognyanova, K. (2024). *Science trust and distrust in America*. Trust in science: Understanding trends and implications for science communication. Invited talk, National Academies of Sciences, Engineering, and Medicine, Washington, DC.

Ognyanova, K., & Hallman, W. (2024). *FDA online presence and public attention to food recalls.* Invited talk, Food Recall Modernization, FDA and Alliance to Stop Foodborne Illness, conducted online.

Ognyanova, K. (2024). *Computational methods and information networks*. Invited talk, Summer Institute for Computational Social Science (SICSS) at Rutgers University, New Brunswick, NJ.

Ognyanova, K. (2024). *False beliefs in an uncertain environment: The role of trust in science and partisanship*. Invited talk, Misinformation speaker series, Network Science Institute at Northeastern University & Shorenstein Center at Harvard University, Boston, MA.

Ognyanova, K. (2023). *The role of trust and technology in health information consumption and behavior*. Invited talk, Center for Applied Network Analysis, University of Southern California, conducted online.

Ognyanova, K. (2023). *Teams and collaboration during a pandemic*. Invited talk, New Jersey Alliance for Clinical and Translational Science, conducted online.

Ognyanova, K. (2022). *Misinformation and trust in institutions*. Invited talk, Summer Institute for Computational Social Science (SICSS) at the University of Pennsylvania, conducted online.

Ognyanova, K. (2022). *COVID-19 Misinformation, public attitudes, and institutional trust*. Invited talk, US Surgeon General Roundtable on COVID-19 misinformation, conducted online.

Ognyanova, K. (2022). *Networked public trust and misinformation*. Invited talk, Center for Social Data Analytics, Pennsylvania State University, conducted online.

Ognyanova, K. (2021). *Trust in science and medicine: Politics, misinformation, and health attitudes*. Invited talk, Rebuilding Public Trust in Biomedical Science & Research Webinar, National Academy of Medicine, conducted online.

Ognyanova, K. (2021). *Online misinformation: Political implications, health outcomes, and pathways to social correction*. Invited talk, Understanding Misinformation and Disinformation Webinar, Tufts University, conducted online.

Ognyanova, K. (2021). *Network analysis: Insights for policy and foreign affairs*. Invited talk, German Institute for International and Security Affairs (SWP), conducted online.

Ognyanova, K. (2021). Invited panelist, Health Misinformation Roundtable, National Journal, conducted online.

Ognyanova, K. (2021). *Network visualization and academic storytelling*. Invited talk, DEVI group, University of Toulouse, France, conducted online.

Ognyanova, K. (2021). Invited panelist, *Bridging disciplinary divides for behaviorally modulated mathematical models in human epidemiology*. NSF-sponsored workshop, conducted online.

Ognyanova, K. (2021). *Networked information and misinformation about COVID-19.* Invited talk, Moody College of Communication, University of Texas at Austin, conducted online.

Ognyanova, K. (2021). *Misinformation, networks, and academic storytelling*. Invited talk, Georgia State University and University at Buffalo, conducted online.

Ognyanova, K. (2021). *Information, communication, and misinformation*. Invited participant, NSF Predictive Intelligence for Pandemic Prevention (PIPP) Human Workshop, conducted online.

Ognyanova, K. (2021). N*etwork approaches to misinformation evaluation and correction*. Invited talk, Psychology of Media and Technology, Society for Personality and Social Psychology (SPSP) Annual Conference, conducted online.

Ognyanova, K. (2021). *COVID-19 vaccines: Social groups and messaging challenges.* Ongoing and Emerging Challenges Regarding Effective Communication about COVID-19 Vaccination. Invited talk, Rutgers Science Communication Initiative, conducted online.

Ognyanova, K. (2020). *Misinformation in times of uncertainty: predictors and consequences*. Invited talk, IQB Communication (Mis)Information Working Group, conducted online.

Ognyanova, K. (2019). *Network analysis and visualization.* Invited talk, US Department of Defense, Office of the Inspector General, Washington, DC.

Ognyanova, K. (2018). *Network analysis and visualization with R.* Invited talk, SatRdays: An R user conference, Washington, DC.

Ognyanova, K. (2017). *Networks and network visualization with R*. Invited talk, Davidson College, Davidson, NC.

Ognyanova, K. (2015). *Visualizing communication: Numbers, networks, and the road to open science*. Invited talk, Visualizing Digital Data: Symposium on Digital Culture, Philadelphia, PA.

Ognyanova, K. (2013). *Thinking with networks.* Invited talk, Boston Data Day Skill-a-thon, Boston, MA.

Ognyanova, K. (2012). *Critical information needs of the American public.* Research Design Meeting for the Multi-Market Study of Critical Information Needs, Federal Communications Commission (FCC), Office of Communications Business Opportunities (OCBO), Washington, DC.

Friedland, L. A., Napoli, P. M., **Ognyanova, K.**, Weil, C., & Wilson III, E. J. (2012). *Critical information needs of the American public*. Public presentation, discussion, and briefing for the Federal Communications Commission (FCC), Washington, DC.

Ognyanova, K., Gonzalez, C., & Ball-Rokeach, S. J. (2012). *Defining diversity: A communication ecology approach*. Invited talk, Redefining Diversity in a Digital Age Forum, Los Angeles, CA.

Ognyanova, K. (2011). *Network data representation and visualization, tools and techniques.* Invited talk, Annenberg Networks Network, Los Angeles, CA.

Ball-Rokeach, S. J., **Ognyanova, K.**, & Villanueva, G. (2010). *Metamorphosis: Research in action*. Invited talk, Art Center College of Design, Los Angeles, CA.

Ognyanova, K., Shen, C., & O'Brien, N. (2009). *NanoHub: Longitudinal network analysis*. Invited talk, VOSS Meeting, Northwestern University, Evanston, IL.

WORKSHOPS

Ognyanova, K. (2025). *Network visualization with R*. Workshop at the Political Networks (POLNET) Annual Conference, Boston, MA.

Ognyanova, K. (2025). *Computational Social Science: Principles and examples.* Doctoral Student Colloquium Workshop, Rutgers University, New Brunswick, NJ.

Ognyanova, K. (2024). *Network visualization with R*. Workshop at the INSNA Sunbelt International Network Science Conference, Edinburgh, Scotland.

Ognyanova, K. (2024). *Introduction to network analysis*. Workshop at the Political Networks (POLNET) Annual Conference, Tallahassee, FL.

Ognyanova, K. (2023). *Network visualization with R*. Workshop at the INSNA Sunbelt International Network Science Conference, conducted online.

Ognyanova, K. (2023). *Network visualization with R*. Workshop at the Political Networks (POLNET) Annual Conference, conducted online.

Shugars, S., & **Ognyanova, K.** (2023). *Computational method*s. Workshop at the Organizational Communication Mini Conference (OCMC), Rutgers University, New Brunswick, NJ.

Ognyanova, K. (2022). *Network visualization with R*. Workshop at the INSNA Sunbelt International Network Science Conference, conducted online.

Ognyanova, K. (2022). *Network visualization with R*. Workshop at the Political Networks (POLNET) Annual Conference, conducted online.

Ognyanova, K. (2021). *Introduction to network analysis*. Three-day workshop at Social ComQuant, GESIS Leibniz Institute for the Social Sciences, conducted online.

Ognyanova, K. (2021). *Network analysis and visualization with application to Twitter data*. Three-day workshop at the German Institute for International and Security Affairs (SWP), conducted online.

Ognyanova, K. (2021). *Basic and advanced network visualization with R*. Workshop at Networks 2021, a joint INSNA Sunbelt and NetSci Conference, conducted online.

Ognyanova, K. (2021). *Advanced network visualization with R.* Workshop at the Political Networks (POLNET) Annual Conference, conducted online.

Ognyanova, K. (2020). *Network concepts and network analysis in R*. Workshop at the Summer Institutes in Computational Social Science (SICSS), conducted online.

Ognyanova, K. (2019). Advanced network visualization with R. Workshop at the Political Networks (POLNET) Annual Conference, Durham, NC.

Ognyanova, K. (2019). *Network visualization with R*. Workshop at the INSNA Sunbelt International Network Science Conference, Montreal, Canada.

Ognyanova, K. (2018). *Network visualization with R*. Workshop at the INSNA North American Network Science Conference, Washington, DC.

Ognyanova, K. (2018). *Advanced network visualization with R.* Workshop at the Political Networks (POLNET) Annual Conference, Washington, DC.

Ognyanova, K. (2018). *Network analysis with igraph*. Workshop for the Ottawa Graph Meetup Group, Ottawa, Canada.

Ognyanova, K. (2018). *Introduction to R for networks.* Workshop at the School of Communication and Information, Rutgers University, New Brunswick, NJ.

Ognyanova, K. (2017). *Advanced network visualization with R.* Workshop at the Political Networks (POLNET) Annual Conference, Columbus, OH.

Ognyanova, K. (2017). *Basic and advanced network visualization with R*. Workshop at the INSNA North American Network Science Conference, Washington, DC.

Ognyanova, K. (2016). *Network visualization with R.* Workshop at the Political Networks (POLNET) Annual Conference, St. Louis, MO.

Ognyanova, K. (2016). *Basic and advanced network visualization with R*. Workshop at the INSNA Sunbelt International Network Science Conference, Newport Beach, CA.

Ognyanova, K., & Chu, K-H. (2016). *Basic and advanced network visualization with Gephi.* Workshop at the INSNA Sunbelt International Network Science Conference, Newport Beach, CA.

Radford, J., & **Ognyanova, K.** (2016). *Designing online experiments: Citizen science approaches to research*. Workshop at the ACM Conference on Computer Supported Cooperative Work (CSCW), San Francisco, CA.

Ognyanova, K. (2016). *Network analysis with R and igraph*. Workshop at the NetSciX International Network Science Conference, Wroclaw, Poland.

Ognyanova, K. (2015). *Static and dynamic network visualization with R*. Workshop at the Political Networks (POLNET) Annual Conference, Portland, OR.

Ognyanova, K. (2014). *Network visualization with Gephi.* Workshop at the NULab for Texts, Maps, and Networks, Northeastern University, Boston, MA.

GRANTS

EXTERNAL

Empowering local journalism with low-cost local and state-level surveys **2024**
Role: Co-I. With D. Lazer & J. Wihbey. Funded by the Knight Foundation.
Amount: $52,000.

State Health, Institutions, and Politics Survey (SHIPS) **2023**
Role: PI. With J. Druckman, D. Lazer, & M. Baum. Funded by NSF (SES-2241886).
Amount: $920,000 ($288,712 at Rutgers).

U.S. institutions after COVID-19: Trust, accountability, and public perceptions **2021**
Role: PI. With J. Druckman, D. Lazer, & M. Baum. Funded by NSF (SES-2116631).
Amount: $450,000 ($159,575 at Rutgers).

Multi-Wave 50-State COVID-19 Survey: Empowering a National Response **2020**
Role: PI. With M. Baum & D. Lazer. Funded by the Russell Sage Foundation.
Amount: $50,000.

RAPID: Relationships, social distancing, social media and the spread of COVID-19 **2020**
Role: PI. Funded by NSF (SES-2029292).
Amount: $117,340.

Auditing Google searches during the election of 2018 **2018–2019**
Role: Co-I. With D. Lazer & C. Wilson. Funded by the Democracy Fund.
Amount: $40,000.

INTERNAL

National AI Public Opinion Monitor **2025**
Role: PI. With V. Singh.
Funded by Rutgers SC&I Grants for Team-based Faculty Research.
Amount: $25,000.

A longitudinal analysis of social networks and patient-reported outcomes **2024**
in adolescent and young adult cancer survivors
Role: Co-I. With K. Darabos & K. Devine. Funded by Cancer Institute of New Jersey.
Amount: $50,000.

Computational Social Science Lab **2023**
Role: PI. With T. Ammari, S. Fu, K. Garimella, S. Jhaver, S. Shugars, V. Singh, M. Weber
Funded by Rutgers SC&I Grants for Team-based Faculty Research.
Amount: $14,000.

Experimental Design and the Study of Social Networks **2015**
Role: PI. Rutgers SC&I Research Development Grant. Amount: $3,630.

Annenberg Summer Research Grant **2008–2011**
Role: PI. Funded by the USC Annenberg School. Amount: $4,000/year.

TEACHING

Course instructor

Rutgers University, School of Communication and Information

- 04:192:305 – **Introduction to Social Media** (BA level) **2015–2017**
  Average teaching effectiveness score: 4.2/5
  Size: 25 students. Taught: x3
- 04:192:354 – **Communication and Technology** (BA level) **2016–2025**
  Average teaching effectiveness score: 4.5/5
  Size: 85 students. Taught: x18
- 04:192:373 – **Social Network Analysis** (BA level) **2024–2026**
  Average teaching effectiveness score: 4.6/5
  Size: 25 students. Taught: x3
- 04:189:220 – **Data in Context** (BA level) **2022**
  Average teaching effectiveness score: 4.8/5
  Size: 25 students. Taught: x1
  Co-instructor: Caitlin Petre
- 17:194:512 – **Mediated Communication** (MA level) **2016–2024**
  Average teaching effectiveness score: 4.5/5
  Size: 30 students. Taught: x5
- 17:194:534 – **Organizational Communication Networks** (MA level) **2019**
  Average teaching effectiveness score: 4.0/5
  Size: 5-10 students. Taught: x1
- 16:194:633 – **Mediated Communication** (PhD level) **2018–2023**
  Average teaching effectiveness score: 5.0/5
  Size: 5-10 students. Taught: x4
- 16:194:671 – **Computational Social Science** (PhD level) **2021–2026**
  Average teaching effectiveness score: 4.9/5
  Size: 10-15 students. Taught: x3
- 16:194:672 – **Pandemic Policy and Public Opinion** (PhD level) **2022**
  Average teaching effectiveness score: 4.8/5
  Size: 5-10 students. Taught: x1
- 01:090:101 – ***Byrne seminar*: Social and Organizational Networks** (BA level) **2021**
  Size: 25 students. Taught: x1
  Co-instructor: Sophia Fu

USC Annenberg School for Communication and Journalism

- CMGT 540 – **Uses of Communication Research** (MA level) **2010**

Guest lectures **2010–2025**

- 04:189:101 – Honors Seminar, Rutgers University (x3)
- 04:192:446 – Communication and Social Change, Rutgers University

- 16:194:601 – Communication, Information, and Media, Rutgers University (x5)
- 16:194:605 – Critical Research Methods, Rutgers University
- 16:194:622 – Health Communication, Rutgers University
- 16:194:623 – Research Design, Rutgers University (x4)
- 16:194:673 – Organizational Communication Networks, Rutgers University (x2)
- 16:194:675 – Understanding, Designing and Building Social Media, Rutgers University (x2)
- 17:610:596 – Community Engagement, Rutgers University
- COMM 204 – Public Speaking, USC Annenberg (x2)
- COMM 618 – Media Effects, USC Annenberg
- COMM 620 – Research Practice and Social Change, USC Annenberg
- ACOM 378 – Studies in Public Persuasion: Ethnic Media, University at Albany
- HIS 207 – Computational Methods in History, Davidson College
- ANT 291 – Social Networks and Social Media, Davidson College
- JOUR 8990 – Social Network Analysis and Media, University of Minnesota
- COMM 352 – Social Network Analysis, Northwestern University
- COMM 861 – Advanced Research and Project Development, American University (x2)

ACADEMIC ADVISING

Rutgers University: Doctoral Dissertation Committees

- Kateryna Bystrytska (in progress)
  Military as strategic social media producers during wartime
- Eunbin Ha (in progress)
  The dual-process model of AI trust dynamics: Toward the expansion of affective dimension in human-AI interaction
- Yunhee Shim (in progress)
  Exploring content creators' adoption of moderation strategies to address online harms
- Afrooz Mosallaei (in progress)
  Navigating climate change news: Exploring platformization of climate-related news on Instagram
- Eiman Ahmed (2025)
  Examining and understanding psychosocial well-being in the digital age: *A data-centric perspective*
- Arpita Jindani (2025)
  Integrating health equity and lived-experiences: Communication practices in US-based health philanthropies to advance social justice
- Melanie Kwestel (2025)
  What we have here is a failure to collaborate: Collective action, collaboration, and misinformation in the New Jersey anti-wind community

- Luxuan Wang (2023)
  Cultivating perceptions: Exploring the influence of news media on perceived polarization
- Allyson Bontempo (2023)
  Exploring the medical interactions of patients with difficult-to-diagnose or uncertain illnesses
- Katie Park (2022)
  Design interventions to reduce online incivility
- Soumik Mandal (2020)
  Clarifying users' information need in conversational information retrieval
- Isha Ghosh (2020)
  Social interventions to reduce the privacy paradox
- Souvick Ghosh (2020)
  Exploring cognitive functionalities of spoken conversation systems
- Inyoung Shin (2019)
  The cost of awareness on individual wellbeing: Assessing communication technology usage and its relationship to network awareness
- Teis Kristensen (2019)
  Overcoming knowledge sharing boundaries in organizations: An examination of a software company
- Allie Kosterich (2017)
  Rapid institutional change, professional journalists and the rise of the news nerd

External Member: Doctoral Dissertation Committees

- Hong Qu, Network Science, Northeastern University (in progress)
- Alexi Quintana-Mathé, Network Science, Northeastern University (2026)
  From followers to close ties: Homophily in population level social networks
- Nicholas Rabb, Computer Science, Tufts University (2024)
  Modeling media influence on the formation of polarized, misinformed attitudes
- Abraham Israeli, Computer Science, Ben-Gurion University of the Negev (2024)
  Multi-modal approaches for modeling the dynamics of online communities
- Ronald Robertson, Network Science, Northeastern University (2020)
  An interdisciplinary examination of partisanship in web search

Rutgers University: Qualifying Exam Committees

- Yi Zhao: *AI and political communication* (2026)
- Xiner Lai: *Computational Social Science* (2026)
- YooKyeong Lee: *Generative AI in information use* (2026)
- Sudhamshu Hosamane: *Collective Intelligence* (2025)
- Kateryna Bystrytska: *Social Media and Politics* (2025)
- Mingwei Shen: *Computational Social Science* (2025)
- Eunbin Ha: *AI Trust and Misinformation* (2024)

- Hajar Shirley: *Communication and Technology* (2021)
- Kevin Wang: *Communication and Technology* (2020)
- Katie Park: *Communication and Technology* (2020)
- Melanie Kwestel: *Online Protest Movements* (2020)
- Xizi Ru: *Communication and Technology* (2019)
- Soumik Mandal: *Social Network Analysis* (2018)
- Isha Ghosh: *Design of Networked Interventions* (2018)
- Teis Kristensen: *Computational Social Science in Organizations* (2017)
- Allie Kosterich: *Media Institutions and Digital Labor* (2016)

Rutgers University: Independent Studies & Practicums

- Yi Zhao: Norms and identification in online communities – graduate level (2026)
- Emma Hackbarth: Design Justice Fellow, AI systems – undergraduate level (2025)
- Eunbin Ha: AI and misinformation assessment – graduate level (2024)
- Luxuan Wang: Online news exposure and misinformation – graduate level (2020)
- Melanie Kwestel: Online humor during a global pandemic – graduate level (2020)
- Sonya Gande: Social media, gender, and politics – undergraduate level (2020)
- Xizi Ru: Statistical data analysis using R – graduate level (2019)
- Maria Kukhareva: Communication and technology – graduate level (2019)
- Soumik Mandal: Network analysis of social media data – graduate level (2018)
- Souvick Ghosh: Network analysis of social media data – graduate level (2018)
- Emily Orr: Network experiments and citizen science – undergraduate level (2016)

SERVICE: RUTGERS UNIVERSITY

Rutgers University: Research Groups

- Director: Computational Social Science Lab (2023–present)
- Member: NetSCI Network Science Lab (2015–present)
- Member: Social Media & Society Cluster (2015–present)
- Member: Institute for Quantitative Biomedicine COVID-19 (Mis)Information Group (2020–2023)
- Leader: Computational Communication Research Group (2017–2020)

Rutgers University: Department of Communication

- Member: Doctoral Program Curriculum Committee (2025)
- Peer mentor: Sarah Shugars (2023–2025) and Jianing Li (2024–2025)
- Member: AI Curriculum Development Ad Hoc Committee (2024–2025)
- Member: Faculty Search Committee, Organizational Communication (2024–2025)
- Chair: Faculty Search Committee, Data Science & Technology (2023–2024)
- Member: Faculty Search Committee, Data Science and Organizing (2021–2022)
- Member: Faculty Search Committee, Organizational Communication (2019–2020)
- Member: Faculty Search Committee, Communication and Technology (2016–2017)
- Advisor: Lambda Pi Eta communication honor society (2017–2021)
- Member: Communication Research Committee (2015–2016)

Rutgers University: School of Communication and Information

- Member: Appointment and Promotion Committee (2024–2025)
- Facilitator: SC&I Scholarly Incubator (2024)
- Member: Data Equity Initiative Steering Committee (2023–present)
- Member: Appointment and Promotion Committee (2023–2024)
- Member: Appointment and Promotion Committee (2021–2022)
- Member: Master of Communication & Media Program Executive Committee (2019–2026)
- Member: SC&I Building, Programming, and Design Steering Committee (2018–present)
- Member: SC&I Web Committee (2016–present)
- Member: Data Science and Social Systems Working Group (2016–2017)

Rutgers University: University-level service

- Member and rolling chair: Chancellor Finance & Business Strategy Committee (2025–present)
- Cluster champion: Data Science and Artificial Intelligence Cluster (2023–present)
- Member: CASS Cyberinfrastructure and AI for Science and Society (2023–present)
- Member: Data Science Program and Curriculum Committee (2023–present)
- Member: Provost Strategic Taskforce on Cyberinfrastructure and Data Science (2022–2023)
- Member: Data Science Undergraduate Program Steering Committee (2021–2022)
- Member: Data Science Undergraduate Program Working Group (2020–2023)
- Member: Office of Advanced Research Computing Faculty Advisory Committee (2018–present)
- Member: University TA/GA Grievance Committee Pool (2017–2019)

Rutgers University: Panel participation

- Panelist: Teaching in the AI Era, SC&I Teaching Incubator (2025)
- Panelist: Labs and clusters at SC&I, PhD Recruitment Day (2024)
- Panelist: Computational Social Science Lab Panel, SC&I PhD Colloquium (2023)
- Panelist: Grants & Fellowships in the Humanities and Social Sciences, Collaborative Grants (2021)
- Panel moderator: Strategic Communication on the Job Market, OCMC Conference (2018)
- Idea Leader: Data Science, Rutgers Research Ideation Forum (2018)
- Panelist: Information Ecologies Panel, SC&I Post-Truth Scholarly Incubator (2017)
- Panelist: Social Media Cluster Panel, SC&I PhD Colloquium (2016, 2018)
- Panelist: Academic Job Search Panel, SC&I PhD Colloquium (2016)

Rutgers University: Workshop participation

- Participant: AI in Teaching: Transformative Tools & Challenges (2024)
  Rutgers Office of Teaching Evaluation and Assessment Research
- Participant: Developing Classroom Policies and Practices to Respond to ChatGPT (2023)
  Rutgers Office of Teaching Evaluation and Assessment Research
- Participant: Campus Connect Suicide Prevention Training (2021)
  Rutgers Student Health
- Participant: Mental Health First Aid Training Course (2021)
  National Council for Mental Wellbeing
- Participant: Intro to Teaching Online: Best Practices for Supporting Student Learning (2020)
  Rutgers Teaching and Learning with Technology
- Participant: Fundamentals of Designing Online Courses (2020)
  Rutgers Teaching and Learning with Technology
- Participant: Data for Public Good Workshop (2018)
  Bloustein School of Planning and Public Policy
- Participant: Innovation Hub Leadership Workshop (2018)
